Jerry, Jeff, Bev, James, Terri, Theresa, Tori, Anne

1) Meeting on Saturday 12/5 with Chabry parents and dancers. 15 minutes

Main Objective of meeting: Cover acceptable behavior for taking part in the group. Let dancers and parents know that it is a privilege to be associated with the group and individuals that don't want to be there shouldn't be there. Parents will be informed if their kids are not willing to follow directions; they will be requested to leave. It needs to be clear that in such an instance there is no refund for dues. Such policies are out there with any other local youth sports team, or other dance/performance groups.
